What I can provide: Gas grill if we need to make meals outside.
5500 Watt Generator available.

What I DON'T HAVE: Internet connection, you can bring a hub or use your cell phone.
TV connection, don't have a local antenna at this time.

Summary: I offer this location because we have very few restrictions, quiet area and we sit at 723 ft., easy access to and from sight and neighbors are friendly.
If you want to rough it, sleep under the carport with your equipment or set up in the Hotalen Hobby House.
The club will need to review the rules for the field day event.
Ladies want their own radio setup so need clubs TS-2000 Radio and antenna.
